Principal Georgette Torres
Granite Hills High School
1719 E. Madison Avenue
El Cajon, CA 92019

As Supervisor of San Diego County's Second Supervisorial District, I am writing in support of the Granite Hills High School's plans to build an aquatics center.

This aquatics center would be state of the art for the region and will not only serve the needs of the school, but also our community's children, elderly, handicapped and many of our youth sports programs. Getting children involved in sports is not only of importance for keeping our youth healthy, but also in developing young leaders.

An aquatics center in El Cajon will attract regional and national aquatics events which are bound to contribute to East County's economic development.

I'm fully in support of building an aquatics center at Granite Hills High School, and will support these efforts in any way I can as these plans come to fruition.

Sincerely,

DIANNE JACOB
Supervisor, Second District
